**TRANSMITTAL LETTER RESPONSE TO  
NOTICE TO FILE MISSING PARTS DATED MAY 17, 2004**

Dear Sir or Madam:

Responsive to the Notice to File Missing Parts dated May 17, 2004, Applicant has enclosed an executed Declaration and Power of Attorney, along with the late filing fee surcharge of \$65.00.

Requests Under 37 CFR §1.48 to Delete Named Inventor and Add an Inventor were filed with the Patent Office on June 4, 2004 to correct inventorship in the provisional patent application from which this application claims priority. Applicant has also filed a copy of the Declaration/Oath with the correct inventor with its Preliminary Amendment which corrects inventorship of this utility patent application. Applicant therefore respectfully requests that the Division correct their records to reflect Eun Goo Lee as the named inventor, and not Victor Palacio, as is stated on the Notice to File Missing Parts.

The Requirement set forth in the Notice to File Missing Parts has been met, and the application is believed to be in condition for examining.

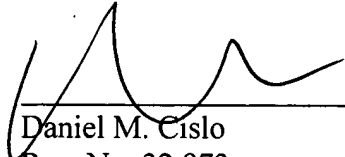

Enclosed is a copy of the Notice to File Missing Parts as required by that same Notice.

It is not believed that any additional fees are due; however, in the event any additional fees are due, the Examiner is authorized to charge Applicants' Attorney's Deposit Account No. 03-2030.

Respectfully submitted,

CISLO & THOMAS LLP
